This matter came before the Board of Commissioners for Tillamook County, Oregon, on the 5th day of February, 2014, at the request of Commissioner Tim Josi, liaison to the Tillamook County Parks Department.

The Board being fully apprised of the records and files herein, finds as follows:

1. The Tillamook County Parks Department was separated from the Tillamook County general fund and has been established as a separate fund as part of the annual budget since FY 2009-2010.
2. When the Board of Commissioners adopted the 2013-2014 budget for the Parks Department, it was based on a revenue assumption that relied on certain fee increases to help achieve the budgeted revenue estimates.
3. Fee increases were established by Board Order #13-045, to achieve the budgeted revenue estimates for the Tillamook County Parks Department. The fee increases included a daily \$4.00 pass and a \$50.00 annual pass for parking at Tillamook County boat launches
4. Since January 1, 2014, when the new fee increases went into effect, the County Commissioners has received input from boat launch users and the Tillamook Parks and Recreation Advisory Committee regarding the fee increases for parking at Tillamook County boat launches.
