Advisory Question Regarding Open Burning in the City of Garibaldi

**Question** 20 words which plainly phrases the chief purpose of the measure.

Should the City prohibit open burning and the use of burn barrels?

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

This measure is an advisory question. The City Council is asking whether the citizens of the City of Garibaldi support or oppose a prohibition on open burning and the use of burn barrels, with some exceptions. A "Yes" vote supports the City Council passing an ordinance prohibiting open burning and the use of burn barrels, excluding the following burns if not otherwise prohibited: (1) practice burns by the Fire Department; (2) residential wood stove and fireplace burning; (3) camp fires; and; (4) warming fires. A "No" vote opposes the City Council passing an ordinance prohibiting open burning and the use of burn barrels. This measure is an advisory question and is not legally binding on the City Council.
