

IN THE JUSTICE COURT OF THE STATE OF OREGON
FOR TILLAMOOK COUNTY

In the matter of setting bail for violations of)
The Tillamook County Short Term Rental)
Ordinance, #69,) ORDER SETTING BAIL

It appears to the Court that this ordinance was enacted November 3, 2009 and the ordinance established minimum fines in accordance with the Tillamook County Code Enforcement Ordinance, #35.

It is appropriate to now establish a bail schedule.

There are a number of assessments that apply to and are in addition to fines for county ordinance violations, and a bail schedule needs to include those assessments.

Being fully advised, it is hereby ORDERED that bail (“base fine”) for violations of the Tillamook County Short Term Rental Ordinance, #69, are set as follows:

First offense: \$570
Subsequent offenses: \$1070.

DATED June 3, 2010.

Neal C. Lemery
Justice of the Peace for Tillamook County
