Manzanita Transfer Station Update

Tillamook County has assumed operations of the Manzanita Transfer Station. We are still in the process of acquiring equipment and hiring employees, and some additional adjustments will be made in operational logistics, but we are pleased to announce that the site will **reopen to the public** at 10:00 am on **Friday, January 25, 2019**.

Until we have completed all hiring, operating hours will be limited to:

Thursdays, Fridays, and Saturdays 10:00 am – 4:00 pm.

We have implemented some changes in the operations of the site, to better serve the public, so please stay alert as you visit the Manzanita MSW & Recycling Transfer Station!

Area residents will be able to dispose of municipal solid waste (MSW, aka. “trash” and “garbage”) and yard debris at the same disposal rates as previously established by the Board of County Commissioners:

- **MSW:** \$20 minimum fee for up to 150 pounds, and an additional \$0.06 per pound thereafter, and
- **Yard Debris:** \$12.00 per cubic yard.

Please note that we are not able to process debit/credit cards at this time. Payment must be made in cash!

We will accept Christmas trees (no lights, tinsel, decorations, etc.) at no charge through Saturday, February 2, 2019.

We will also accept the following source segregated materials for recycling free-of-charge:

- Cardboard (anything that tears brown)
- Mixed Paper (newspapers, magazines, junk mail, office paper, shredded paper, etc. – nothing that tears brown)
