 COUNTY CLERK

This matter coming on to be heard this 27th day of May, 2009 at a regular meeting of the Board of Commissioners, sitting as the governing body of the Solid Waste Service District (SWSD). A request for adjusting rates charged by a collection franchisee to their customers has been submitted by Western Oregon Waste - Coast Collection. The SWSD Board being fully apprized of the records and files herein finds as follows.

1. The Tillamook County Solid Waste Advisory Committee recommended the amount of the submitted rate adjustment be approved.
2. The Tillamook County Board of Commissioners finds that the proposed rates will be just, fair, reasonable and sufficient to provide the proper service to the public.

**NOW THEREFORE, IT IS HEREBY ORDERED that**

3. Western Oregon Waste - Coast Collection rates as outlined on Exhibit "A" become effective June 1, 2009.

DATED THIS 27th DAY OF May, 2009.

Jennifer --

I have attached a packet of information for your review, including the following items:

- a) The Rate Review Report, which includes the following:
  - a. All the actual allowable expenses incurred by Franchisee in the preceding calendar year, and all allowable expenses that we reasonably anticipate will be incurred in the current year;
  - b. The allocation formulas used to determine expenses;
  - c. The actual and expected Operating Ratios for the preceding and current calendar year;
- b) 2008 Reviewed Financial Statement prepared by our independent Certified Public Accountants; and
- c) Rate sheets showing current and proposed rates to be effective June 1<sup>st</sup>, 2009

To keep pace with the cost of providing services to our Tillamook County customers, we have, in recent years, proposed to adjust rates using the percent increase in the Consumer Price Index (CPI-U, West B/C). Our projections indicate that by taking the CPI adjustment, our operating margin would be outside the industry standard range, so we are not seeking to adjust our collection rates at this time. While there is not an overall rate adjustment, we did make a few minor changes to update pricing for tires and appliances picked up from customers.

As we are not seeking an adjustment, we will not be mailing out a customer notice. All customers will receive a comprehensive guide to WOW's services in our annual mailer, due out in October, 2009.

There are several factors that play a critical role in determining the costs of collection. As you know, the economic downturn in these past several months has been difficult for everyone. Our projections are based on the assumption that the current economic climate will not significantly improve during this rate year. We anticipate continued negative impacts to drop box and commercial revenue. This lost revenue cannot be totally offset by the corresponding decrease in labor hours, truck time and disposal costs. In addition, the fall-off in recycling market prices has affected the fees we pay to process and transport recyclable materials to market.

In light of the tough economic times we are all facing, we have chosen to make some difficult decisions in an attempt to control the upward pressure on collection rates. We anticipate that the changes resulting from these decisions will be temporary, and that, as the economy recovers, affected programs will be restored. Company-wide, we have cut our capital budget by over 70%. We enacted a temporary reduction in force - 7.5 FTE, including one management position, and limited wage adjustments to 1% or less. We have reduced to a minimum all discretionary expenses, including travel, education and training. We also increased the employee-paid portion of our healthcare costs, and eliminated our profit-sharing contributions to employees' 401(k) plans.

If you have any questions, or require any additional information, please let me know. I can be reached by phone at 866-908-1183, or via email at [jcook@westernoregonwaste.com](mailto:jcook@westernoregonwaste.com).

We appreciate the opportunity to provide high quality waste services to our customers in North Tillamook County, and look forward to improving our relationship in the coming years.

Respectfully,

  
Joseph C. Cook, CPA  
Chief Financial Officer
