

Friday, February 15, 1963

Right of access agreement with the State Highway Department was signed in the matter of the south 20 feet of Lots 1 and 2, Block 6, Cone & Co's Addition to Bay City. The Court also agreed to allow ingress and egress to Tony Reed over said portion of said lots.

Right of Way easement was granted to Tillamook P.U.D. over county-owned land in the Manhattan Beach subdivision.

Douglas Kaufman submitted his resignation as a member of the Social Service Coordinating Committee.

A letter was sent to the June Dairy Month Committee indicating the intention of the county to make available for the sum of \$50 to the committee a lot in the Manhattan Beach subdivision.

Mr. Al Tucker discussed with the Court the matter of the road which the viewers recommended be built through Mr. Tucker's land to compensate for the taking of land for the Netarts Bay Road (TAS 617).

H. Clay Myers  
County Judge

A. H. Tilden  
County Commissioner

L. C. Schulmerich  
County Commissioner

Wednesday, February 20, 1963

At a regular meeting of the County Court on the date set above at which time were present County Judge H. Clay Myers, and Commissioners A. H. Tilden and L. C. Schulmerich, the following business was transacted.

Resolution was signed in the matter of the establishment and location of the Nehalem Road from the C.C. Bridge to the Clatsop County line.

LaRue Smith inquired of the Court as to when the matter of the dike built by Ann Baker and Mr. McLain at Netarts will be taken up.

Mr. Becker talked to the Court about the quarry at Watseco and was advised that most of it is located on land belonging to Publisher's Paper Company.

Morrie Schmidt, Don Norris, Mr. Albert Mayer and Bob Watkins visited the Court to inquire about the cump property and the Avalon property at Oceanside. They were advised that it would have to be appraised and advertised. Mr. Mayer is interested in purchasing the whole tract which comprises about 70 acres.

Jack Madison and Ted Cornett of P.U.D. inquired about moving a utility pole at Bar View.

Mr. Winslow inquired about making a trip up the Nestucca River to view the damage to bridges and county road. Mr. Tibbetts will take him Tuesday, February 26.
