December 20, 1964, Friday

At a regular meeting of the County Court on the date set above at which time were present Commissioners A. H. Tilden and L. C. Schulmerich and County Judge H. Clay Myers, the following business was transacted.

Mr. Clapp talked to the Court about the Manhattan-Rockaway Community Club building.

Albert Love, Gerald Clark and Gordon Hoare of the Army Engineers visited the Court December 19, together with Bernard Stacy, C. M. Adams, Ted Cornett and Walter Stein of the Port of Tillamook Bay and Fritz Vermilyea, Henri Dupre, Jim Williams, Gerald Patterson and Basil Edmunds of the Port of Bay City, to advise the Court and the Ports that the District Engineer would submit a report recommending construction of a south jetty at the entrance of Tillamook Bay. The Engineers will require a statement of local cooperation by the Court and the Port Commissions in regard to easements, rights-of-way, etc.

H. Clay Myers
