Agreement was signed in the matter of using an area belonging to Publishers Paper Company adjacent to Munson Falls as a public park and recreation area.

Order was signed in the matter of accepting deed from Warren and Gertrude Johnson for County Road purposes.

Lester Fultz and Warner, M. F., called on the Court to discuss the matter of providing parking and rest rooms for the public in the Neskowin area. The only County land available for such a purpose in the immediate vicinity is the area set aside as a park in the Kiawanda Beach subdivision. No money has been budgeted this year for improvements to this park area.

Mrs. Hill and Mrs. Lane called on the Court to inquire if "Children" or Speed signs, or both, could be posted on the N. P. Hanson Road, aka the Fletcher Road. The Court was of the opinion that "Children at Play" signs would be most effective in curbing speed.
