At a regular meeting of the County Court on the date set above at which time were present County Judge H. Clay Myers and Commissioners L. C.

Schulmerich and C. Ernest Iseri, the following business was transacted.

Bids from Western Supply and Morris Supply to furnish welding gasses for the next fiscal year were opened. Western Supply submitted a low bid on 244 cu. ft. cylinders of oxygen and 100 cu. ft. acetylene, and Morris Supply submitted low bid on 122 cu. ft. cylinders of oxygen. Contract was awarded to Western Supply, after Morris Supply indicated they were not interested in furnishing only the 122 cu. ft. cylinders of oxygen.

Spencer T. Moore, Forest Supervisor for Siuslaw National Forest, called on the Court to discuss the status of the land exchange between the Forest Service and William Peregoy.

George Cohee called on the Court to discuss matters in connection with garbage pickup at Netarts and Oceanside county parking areas, and the request by the State Forestry Department that the Bay City Dump be provided with a fire trail and water, if possible.

Bill Berry and Dennis Mawhiter of the Forestry Department called on the Court to discuss fire protection at the County Dumps. They recommended a fire trail for the Manzanita and Pacific City Dumps. The Bay City Dump needs a fire trail, plus brush between the dump area and the fire trail cut and burned. It should have a watchman 24 hours a day. A 300 gallon water tank and pump and 500 feet of hose must be provided, plus ax, shovel and 5-gallon pump can. Ax, Shovel and pump can should be provided at all three dumps.

Order was signed directing that Marolf Loop Road be posted for a speed limit of 35 miles an hour from Third Street South to Preston Williams corner.
