Friday, September 9, 1966

At a regular meeting of the County Court on the date set above at which time were present County Judge H. Clay Myers and Commissioners L. C. Schulmerich and C. Ernest Iseri, the following business was transacted.

Hearing was had in the matter of the proposed formation of the Twin Rocks Sanitary District. There were no protests voiced against formation of the district. However, Ed Hart, Clara Gienger, ~~E. R. Young~~* and Mr. Hamilton suggested that the boundaries of the proposed district be enlarged to include Watseco and possibly Barview, as well as additional portions of Oceanlake Park. Mr. Goodrich, attorney for the district, pointed out that including these areas is not feasible because of the expense of running lines over great distances where there would be no users on the line. The Court will make a decision on the boundary at a later date.

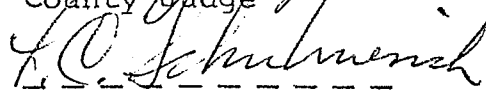

Ida M. Boquist was appointed to the Tillamook County Public Welfare Commission.

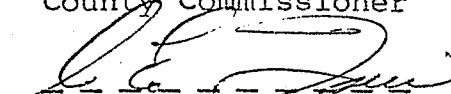

Deeds were executed to Ronald and Carol Johnson, and to Cecile and Bernard Brooks for lots in Block 6, Neah-Kah-Nie Mountain.

Roy Peterson and Glen Hawkins were re-appointed to the Tillamook County Hospital Board.

* Mr. E. R. Young expressed opinion that boundaries should not be changed.
