

Friday, October 28, 1966

At a regular meeting of the County Court on the date set above at which time were present County Judge H. Clay Myers and Commissioners L. C. Schulmerich and C. Ernest Iseri, the following business was transacted.

Robert and Judy Soule met with the Court to discuss the laying of water pipe line in Pacific City along county right of way. Mr. Soule has the contract for laying the pipe.

Jesse Tibbetts reported that Bickel Construction was willing to sell the two lengths of 6 and 8 foot culvert removed in construction of the Beaver Creek Flood Control Project for the sum of \$537, which is approximately 15% of new price of the culvert. The Court authorized Mr. Tibbetts to purchase the pipe, inasmuch as it is in very good condition and can be used by the court.

Mr. Tibbetts was also authorized to purchase necessary timber to finish construction on the North Fork Nehalem Bridge.

Dave Johnson was authorized to take care of the Netarts Boat Basin rest rooms on a half-time basis for the winter months.

Brochure committee from the Chamber of Commerce--Paul Hanneman, Robert Penland and Basil Edmunds--met with the Court to discuss the matter of new brochures needed by the Chamber. Mr. Penland presented a suggested color brochure which he could furnish for approximately \$2000. for 25,000. The Court advised the committee they would be willing to purchase the brochures, but felt that Coast Printing should be given an opportunity to submit a bid, should they so desire. This was agreeable with Mr. Penland and the matter was continued.

Liquor license renewal applications were approved for Iva M. Armentrout, South Prairie, PB; Louis and Louise Zeurcher, Idaville, PB.
