At a regular meeting of the Board of Commissioners on the date set above at which time were present Chairman R. F. Brennan and Commissioners F. E. Knight and Chas D. Bailey, the following business was transacted.

William Gildow of Netarts discussed with the commissioners the proposal of property owners in the Netarts Bay Park subdivision that the dedicated street along the edge of the bay be vacated.

Roadmaster Tibbetts advised the commissioners that the proposed one way grid on 5th Street at Netarts would be dangerous and that closing the north end of the street where it joins Highway 131 would eliminate a hazardous intersection.
