

Wednesday, July 21, 1971

At a regular meeting of the Board of Commissioners on the date set above at which time were present Chairman R. F. Brennan and Commissioners F. E. Knight and Chas D. Bailey, the following business was transacted.

Hearing was had in the matter of petition to incorporate a Port of Nestucca. Attorney George Winslow, Jr. for the petitioners advised the commissioners that the description advertised in the notice and on the petitions which had been circulated was faulty and that a new petition would be circulated and filed at a later date.

Roma Thomas discussed with the commissioners the need for gravel on some streets in Tierra Del Mar.

At a regular meeting of the Board of Commissioners on the date set above at which time were present Chairman R. F. Brennan and Commissioners F. E. Knight and Chas D. Bailey, the following business was transacted.

Mr. John I. Gale granted permission to dig a drainage ditch across Lots 1, 2, 3, 4, and 22, Block 25, Bayocean Park.

James F. Robb discussed with the Commissioners the survey of Tillamook and Clatsop Counties which will be made this fall as training for persons going overseas.

Mr. and Mrs. Edgar G. Hungerford presented the Commissioners with a letter regarding zoning. They object to a change from R-1 to R-T and suggest there is a conflict of interest in Mr. Hauptert owning property in the area and serving on the Planning Commission.
