

Wednesday, September 22, 1971.

At a regular meeting of the Board of Commissioners on the date set above at which time were present Commissioners F. E. Knight and Chas D. Bailey, the following business was transacted.

Order vacating Monte Vista subdivision was signed.

Hearing was held on the request of G. R. Drachenberg for a zone change from R-1 to R-T for property on 12th street in the Tillamook area. A petition signed by adjacent property owners objecting to the zone change was presented to the commissioners. A letter from City Manager Paulson indicating that the area would be annexed to the city if rezoned was read. Property owners expressed opposition to a trailer park because of increased traffic, crowded conditions and noise, as well as calling attention to the fact that a stream runs through the area. Mr. Drachenberg explained that the proposed project would not be an eyesore and would be restricted to adults. In view of the opposition by adjacent property owners, the commissioners denied the zone change.

Hearing was held on the request for a zone change in the Netarts area from R-2 to R-T. Jack Lesch of the Planning Office reported the results of replies from property owners affected by the zone change request, and suggested that only a portion of the area be approved for R-T zoning. All interested persons present at the hearing who would be affected by the change approved the change for the reduced area as indicated on a map supplied by the planning office and the commissioners approved the change from R-2 to R-T for the area indicated.
