Chester Stewart Delivered copy of appraisal of county buildings and equipment, for insurance coverage.

Mrs. Hugh Shaw and Mrs. Paul Wright requested that the Commissioners help them in securing use of the hall at the county fairgrounds for skating. The Fair Board indicated a charge of \$50 per night would be charged if they approved such use. The Commissioners suggested that some organization be approached to spearhead a drive for a skating program and that they inquire as to the use of a building at the former Naval Air Station which might possibly be available.

Lee S. Morrow, who resides in Pacific Wonderland subdivision, advised the commissioners that the road in the subdivision is full of large chuck holes which the developer does not repair. This is not in the county road system. However, the commissioners will have Roadmaster Tibbetts investigate.

The Commissioners accepted the resignations of Stanley Pintarich, Elizabeth Merrill and Clare Edner from the Tillamook County Planning Commission.
