Manzanita and Pacific City Transfer Stations to Open Additional Days

The Tillamook County Solid Waste Department is pleased to announce that the Manzanita Transfer Station will be adding an additional day to their operating hours. Effective Thursday, March 21, the transfer station will be open, Thursdays, Fridays, Saturdays and Sundays, 10am until 4pm.

“We are pleased with our new staff and the changes we have made at Manzanita,” states David McCall, Solid Waste Program Manager, “there are more improvements to come, but at least we have the mechanics in place to be open more hours to better serve our local public. The Manzanita Transfer Station is here to serve the local community, offering a full line of recycling, as well as disposal options for both yard debris and municipal solid waste. If you have good items looking for a new home, Habitat for Humanity is also on site accepting donations for the Tillamook ReStore Saturdays between 10 am and 3 pm.”

Pacific City Transfer Station will also be adding Sunday afternoons effective March 24. The hours of operation at Pacific City Transfer Station will be Fridays, 9am-4pm; Saturdays, 9am-4pm; Sundays, 1pm-4pm; and, Mondays, 9am-4pm. Please note the different hours for Sundays.
