Notice is hereby given on July 31, 2013, that a measure election will be held in

Tillamook

County, Oregon on November 5, 2013.

Name of County or Counties

Date of Election

The following shall be the ballot title of the measure to be submitted to the county's voters.

Caption 10 words

Measure to authorize a county-wide transient lodging tax.

Question 20 words

Shall Tillamook County be authorized to collect a transient lodging tax throughout Tillamook County including within cities?

Summary 175 words

This measure would implement Tillamook County Ordinance #74 imposing a 10% tax on lodging guests at hotels, motels, Inns, Bed and Breakfasts, condos, RV Parks, campgrounds, vacation rentals and other similar transient lodging facilities for stays less than 30 days. In cities that already have such a tax, the percentage of county tax collected from the guest would be offset by the percentage of city tax paid by the guest up to 9%. By state law, lodging operators may retain 5% of tax collections for their costs. Also by state law, 70% of net county lodging tax collections are dedicated for tourism promotion and tourism related facilities. The 30% balance would be dedicated to county road maintenance, after first deducting the county's costs and expenses for collection and enforcement of the tax. The first year, this measure is expected to raise approximately \$375,000 for county roads and \$1 million for tourism promotion and tourism related facilities.

The following authorized county official hereby certifies the above ballot title is true and the ballot title challenge process has been completed.
