RENEWAL OF CURRENT FIVE-YEAR LOCAL OPTION TAX FOR GENERAL OPERATIONS

Question 20 words which plainly phrases the chief purpose of the measure.

Shall North County Recreation District renew five-year local option levy of \$0.40 per \$1,000 of assessed value beginning FY 2019/2020? This measure renews current local option taxes.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

North County Recreation District will use the tax revenue from this measure to operate the district at its present level of service.

Property taxes pay for recreation and health program services in aquatics, fitness, youth, and activities for adults, and operating costs such as the existing swimming pool operation, utilities, general administration, and minor maintenance.

Major capital expenditures are paid using timber tax and other non-property tax sources of income. Savings for these major capital costs, which include a fund for a replacement swimming pool, do not come from property taxes.

Without the renewed local option tax the district's program services would be cut by approximately 50% and all departments would have significant reductions in hours of operation.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.

FY 2019 – 2020 \$494,474

 FY 2022 – 2023 \$540,335
