Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This measure may be passed only at an election with at least a 50 percent voter turnout. This measure would impose a five-year local option tax by Cannon Beach RFPD continuing to pay salary, training, vehicle, administrative costs required for the position of full-time District Fire Chief. The Fire Chief directs 25 firefighter volunteers, who respond to approximately 430 calls annually within Cannon Beach, Cove Beach, Falcon Cove, and Arch Cape. These calls include fire response, emergency medical response, cliff rescue, surf rescue, vehicle extrication, and hazardous material incidents. The Fire Chief manages the District worth over 1.1 billion; being in compliance with state and federal regulations, fire prevention, disaster planning, and mutual aid agreements with neighboring communities. The Fire Chief manages fire apparatus, equipment, and stations valued at over \$6.5 million. Estimated total amount of the local option tax to be collected between July 2019 and June 2024 is \$1,193,877. The estimated tax cost of this measure is an ESTIMATE ONLY, based on the best information available from the County Assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
