1. UNSOLD LAND BETWEEN AUCTIONS

Land that remains unsold by the Sheriff under an Order to sell certain lands pursuant to ORS 275.110 (i.e., the annual public land sale auction) is held over until the next annual land sale auction at which time the minimum bid price may be changed from the prior year’s minimum bid price.

Land that remains unsold by the Sheriff may also be sold at a price that Tillamook County deems reasonable, but at a price no less than a 15% reduction of the minimum bid set at the last annual land sale auction pursuant to ORS 275.200. Therefore, Tillamook County considers reasonable written offers on unsold land parcels between auctions that are at least 85% of the minimum bid price at the last auction from bidders who have never defaulted on a Tillamook County public land sale. See instructions below.

2. PURCHASE OPTIONS

Where a sale to any one individual, firm or corporation is less than Twenty Thousand Dollars (<$20,000), then such sale must be for cash only (Deed).

Where a sale to any one individual, firm or corporation is Twenty Thousand Dollars or greater (≥$20,000), then such sale can be made for cash only (Deed), or by a monthly installment contract (Contract).

A Contract requires a minimum down payment of 20% of the purchase price paid by money order or cashier’s check at the day of sale.

The remainder is to be paid under a written agreement in equal monthly installments over a term not exceeding 5 years from the date of sale.

The interest on installment contracts will be at a fixed rate of 10% per annum. Interest begins on the date of execution.
