Question 20 words which plainly phrases the chief purpose of the measure.
Shall Tillamook increase its fuel tax to \$0.03 per gallon November-April and to \$0.06 per gallon May-October (retail only).

Summary 175 words which concisely and impartially summarizes the measure and its major effect.
The Tillamook City Council submits this measure to the voters, proposing an amendment to the City of Tillamook's motor vehicle fuel tax. This amendment would increase the tax from \$0.015 per gallon to \$0.03 per gallon for the months of November through April and to \$0.06 per gallon for the months of May through October. Non-retail facility sales would stay at \$0.03 all year. This tax is imposed on motor vehicle fuel dealers. The complete proposed amendments may be viewed at Tillamook City Hall.
If adopted, the increased tax would be imposed on dealers when they sell or distribute motor vehicle fuel within the City. Most commonly, the tax will be paid by gas stations for the sale of gasoline and diesel.
The net revenue collected from the tax will only be used for the construction, reconstruction, improvement, repair, maintenance, and operation of streets within the City of Tillamook. If approved by the voters, the ordinance would take effect on January 1, 2023.

Explanatory Statement 500 words that impartially explains the measure and its effect.
