**Final Ballot Title** The following is the final ballot title of the measure to be submitted to the district's voters. The ballot title notice has been published and the ballot title challenge process has been completed.

**Caption** 10 words which reasonably identifies the subject of the measure.

**RENEWAL OF CURRENT FIVE-YEAR OPTION TAX FOR GENERAL OPERATIONS**

**Question** 20 words which plainly phrases the chief purpose of the measure.

Shall North County Recreation District renew five-year local option levy of \$0.40 per \$1,000 of assessed value beginning FY 2024/2025?

This measure renews current local option taxes.

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

North County Recreation District will use the tax revenue from this measure to operate the district at its present level of service.

Property taxes pay for recreation and health program services in aquatics, fitness, youth, and activities for adults, and operating costs such as the existing swimming pool operation, utilities, general administration, and minor maintenance.

Major capital expenditures are paid using timber tax and other non-property tax sources of income. Savings for these major capital costs, which include a fund for a replacement swimming pool, do not come from property taxes.

Without the renewed local option tax of .40 per \$1,000, the district's program services would be cut by approximately 50% and all departments would have significant reductions in hours of operation.

The district estimates that the proposed local option levy of .40 per \$1,000, less uncollectible taxes, will raise the following:

FY 2024-2025 \$573,231  
FY 2025-2026 \$590,428  
FY 2026-2027 \$608,141  
FY 2027-2028 \$626,385  
FY 2028-2029 \$645,177  
TOTAL of estimated taxes to be collected: \$3,043,362

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression, and the collection rate.

**Explanatory Statement** 500 words that impartially explains the measure and its effect.

If the county is producing a voters' pamphlet an explanatory statement must be drafted and attached to this form for:  
→ any measure referred by the district elections authority; or  
→ any initiative or referendum, if required by local ordinance.
