Cape Meares Road Relocation

Construction Activities & Upcoming Work

Timber processing will continue next week. Previously logged slash piles will be burned later this month. Expect logging equipment coming in and out of the project entrances as processing begins. Heavy logging equipment is working throughout the project. There is no public access within project limits. Water quality is constantly monitored according to permit requirements. Earthwork will begin in spring of 2022. The fixed construction completion date is October 31, 2023.

ROAD CLOSURES

Current road closure points will remain in effect on Bayocean Road near the Cape Meares Lighthouse, and approximately 0.5 miles south of the Lighthouse. Construction will have minimal impact on public traffic. Please be advised that project limits are outside the gate on Cape Meares Loop coming south from Bayocean Road.
